Safety Reminder...

We would like to remind family & friends that any electrical items (ie: Lamps, T.V.'s, Radio's & such) must be inspected by our Maintenance Department prior to being placed or used in you loved ones room. This is a precaution to assure the safety of our Residents.

Thank You...

A huge "Thank You" goes to Eagle Scout Ben Nichols of Girard. As an Eagle Scout project Ben transformed our flower garden in our Court Yard into a beautiful new butterfly/hummingbird garden complete with new landscaping. Please take a moment to admire the beautiful garden Ben generously made for our residents to enjoy! Ben and his family have offered to maintain the garden for us. Thank you from the bottom of our hearts Ben!
